This Committee is responsible for assuring that the high standards for academics, research, and service are met by all School of Allied Health Faculty holding unmodified titles, who either join the School of Allied Health as new faculty members or who choose to apply for promotion and/or tenure.

Major items of business for academic year 2007-2008.

- Review this year's applicants for promotion and/or tenure and make a recommendation to Dean Miller (completed in December 2007)
- Review and revise the Policies & Procedures governing this committee as needed, to reflect current practices (in process – to be completed by May 2008)
- Provide recommendations on faculty appointments related to faculty positions with an unmodified title (ongoing)

Julie Roth had been this year's representative to the committee from HIM until her departure from the KUMC faculty. Norbert Belz assumed this role in February 2008.
