Students sitting on the **outside** of the aisles are the Row Leaders for the Processional.

The first to walk in will be Ahmed and Leto, side by side, followed by their row members. Then, Beckman walks in with Uloko, and so on. Once you're seated, Row A is Ahmed all the way across to Leto. When you go to the stage for the Introduction of Students segment, the entire row stands and walks to the steps. When 5 people are left to cross the stage from the row in front of you, the next row stands and walks to the steps. Faculty will be there to make sure your row stands when it's your row's turn to go.
